Friendly and welcoming while retaining authority.

03

Reliable

Dependable, consistent, solution focused.

04

Forward-thinking

Innovative; current on industry advancements.

05

Community minded

Supportive of local and regional initiatives.

TONE BY SCENARIO

Client proposals / tenders

Confident, precise, evidence-led

Marketing collateral

Warm, benefits-led, plain English

Social media

Conversational but never flippant

Internal comms

Clear, supportive, action-oriented

Crisis / sensitive

Calm, factual, empathetic

LANGUAGE RULES

UK English, active voice, no em dashes.

- UK English spelling – organise, colour, programme, specialise.
- No em dashes. Use commas, semicolons, or full stops.
- Active voice – 'Our team delivered...' not 'It was delivered by our team...'.
- Spell out acronyms on first use, then abbreviate. M&E = Mechanical and Electrical.
- Numbers: spell out one to nine; use figures for 10 and above.
- Preferred: 'bespoke' (not 'tailored'), 'expertise' (not 'experience' when meaning skill).

LOGO USAGE

ON WHITE

Default – body backgrounds, docs

ON DEEP BLUE

Primary brand surface

ON SKY BLUE

Secondary brand surface

DON'T

- × Don't stretch, skew, or recolour the logo.
- × Don't place over busy imagery without sufficient contrast.
- × Don't use the orange as a primary headline or large body fill.
